CORRECTION OF DRAWINGS

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Applicant respectfully responds to the request for replacement of drawing sheets in the sixth Office Action mailed on November 16th, 2004. The Office Action set a two month time period to submit replacement drawings, which fell on Saturday January 16th, 2005. This response was mailed by first class mail on January 18th, 2004, the first business day after the Federal Holiday Weekend. Accordingly, no extension of time is required.

REMARKS

The sixth Office Action mailed on November 16th, 2004 stated the original informal drawings originally filed with the present application were of insufficient quality to permit

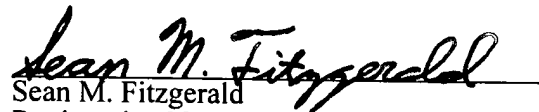

examination and requested replacement drawing sheets in compliance with 37 C.F.R. § 1.121(d).

Applicant has attached eighteen sheets of replacement drawings in compliance with 37 C.F.R. § 1.121(d). The replacement drawings have corrected the informalities. Applicant has been particularly careful to avoid adding any new matter in preparing the replacement drawings, which are hereby submitted for examination.

Respectfully submitted,

Dated: January 18, 2005
